With reference to the above, we would like to state herein our deep appreciation to ADVANCE DISPLAY TECHNOLOGY SDN BHD(ADT) for your excellent and invaluable services in ensuring the smooth running and the precise operation of the Electronic Timing System in connection with the events held at Stadium Sarawak during the SUKMA and PARALYMPIAD 2016 SARAWAK.

2. We would also like to thank ADT for providing the proper Interfacing Input and Management System to the Scoreboard to allow for the display of Real Time Information and Results which were not earlier available as the Scoreboard Provider had indicated that they were not in the position to provide the Interfacing System.

3. We are also pleased to note that the Management System employed by ADT rendered it possible for the ICT to receive and disseminate Real Time Information and Results to the various recipients such as the RTM and the Internet.

4. Last but not least, we wish to state that we are fully satisfied with your performance and your willingness to share with the Organizers your immeasurable expertise, knowledge and experience to help make SUKMA 2016 SARAWAK a SUCCESS.
